Project Gutenberg is a wonderful source of free ebooks - particularly for academic work. However, it uses US copyright law, which isn't universal; some books listed as public domain might still be in copyright in other countries. RightsDirect explains the situation in more detail.

Ageing And Health A Health

Ageing presents both challenges and opportunities. It will increase demand for primary health care and long-term care, require a larger and better trained workforce, intensify the need for physical and social environments to be made more age-friendly, and call for everyone in every sector to combat ageism.

Ageing and health in China. China has one of the fastest growing ageing populations in the world. The population of people over 60 years old in China is projected to reach 28% by 2040, due to longer life expectancy and declining fertility rates. This huge demographic shift presents many new challenges and opportunities for public health and ...

The Health Profile for England report shows that although we are living longer than decades ago, we are not necessarily living healthier lives. This trend opens up discussion about the question and opportunities that an ageing society presents. An ageing population leads to cost pressures if older people are more likely to develop chronic conditions with multiple morbidities, which are more ...
