Representing Youth: Methodological Issues in Critical ...

By addressing these issues, we wish to create a discussion about the methodological and ethical premises of historical research in general. Methodological and ethical questions appear more clearly when studying marginalised people and delicate topics, but should be equally important for all aspects of history of education.

Marginalized children: methodological and ethical issues ...

In May 2016, the Eshelman School of Pharmacy at The University of North Carolina at Chapel Hill convened the PharmSci conference to address the topic of "methodological and ethical issues in pediatric medication safety research." A multidisciplinary group of experts representing a diverse array of perspectives, including those of the US Food and Drug Administration, children's hospitals ...
